INTERNATIONAL STUDENT AMBASSADORS

TalTech Student Ambassadors advise prospective students, provide information about the university, and offer an insight into the life of international students in Tallinn. They all have had an experience of applying for a residence permit, choosing lectures, and getting adapted to life in Estonia. You can contact and meet our student ambassadors at: taltech.ee/ambassadors

PRACTICAL INFO

VISA AND RESIDENCE PERMIT

- All students who are not Estonian citizens need to apply either for a visa, temporary residence permit or register their place of residence in Estonia.
- Non-EU students must apply for a Temporary Residence Permit for Studying (TRP) at the nearest Estonian embassy.
- A TRP allows students to work while studying full time and stay in Estonia for additional nine months after graduation if they want to find a job and settle down.

ACCOMMODATION

- A shared room in an on-campus furnished dormitory costs around 125 € a month. Please note, places are limited and are granted on the first-come, first-served basis.
- A private room or a rental apartment costs around 200-400 € a month.

LIVING EXPENSES

- Prices in Estonia are considerably lower than in Western Europe. Students usually spend around 250-300 € a month on food and other basic daily necessities.
- The public transport in Tallinn is free of charge for its residents with a valid Estonian residence permit. Mandatory private insurance costs around 120 € a year. Students often receive discounts at cafes, restaurants, libraries, cinemas, theatres, transport and other public places.
